

Abu Zakaraia, Resource Person is speaking on ICT
At conference room of the college on 04.02.2020

The IQAC of the college conducted a two-day workshop focused on ICT for selected teachers. The workshop aimed to enhance computer literacy and ICT skills across all departments, aligning with the college's mission to integrate ICT into teaching practices. Partnering with the ICT teacher, the college initiated two day training sessions to empower teachers in utilizing ICT effectively in their classrooms. Abu Zakarai, an ICT expert from Gauripur, served as the resource person, providing theoretical insights and hands-on training on ICT tools during the workshop. The event was instrumental in equipping teachers with practical knowledge to incorporate ICT into their teaching methodologies.
