The Internal Quality Assurance Cell (IQAC) of P.B. College organized a mandatory one-day induction programme on 16th August 2022, held in the college's digital classroom. This programme was designed for newly admitted undergraduate students to acquaint them with the various facets of college life. The objectives of the induction programme were as follows:

1. Providing awareness about the different aspects and opportunities within P.B. College.
2. Assisting students in adjusting to the college environment, including its traditions and practices.
3. Familiarizing students with the intellectual and physical resources and facilities available.
4. Cultivating the values, practices, and ethos unique to P.B. College.
5. Fostering a positive rapport between students and faculty to enrich the teaching-learning process.
6. Promoting social interaction and integration among students and between students and teachers.
7. Introducing students to the range of support services and systems available at the college.

Overall, the induction programme aimed to ensure that new students felt welcomed, well-informed, and supported as they embarked on their academic journey at P.B. College.
